

WHO I AM

I think about you and who I really am

I'm not sure if I'm my self
Or if I'm really stoned
Its a slow and calm and wild symphony going on
I'm not sure if I'm my self
Or if I'm just really stoned
Its a slow and calm and wild symphony going on

I think about you and who I really am

The other day when you hugged me I nearly fainted
Yes I am, Yes I am, Yes I am
Now I'm wondering where to spread all these vibrations
Yes I do, Yes I do, Yes I do

I think about you and who I really am
